Some people literally disappear one day without a trace.

James Kos of Monroeville is one of those people. He was 42 years old the day he left work in Monroeville on April 22, 2000. It was the last time he was seen.

He is described by police as a white male; 5 feet, 7 inches tall; about 132 pounds; blond hair; hazel eyes; medium complexion; and wearing glasses.

Not much else is known. There's been little publicity about his case and even the information on the missing persons websites is limited.

Anyone with information is asked to call Monroeville Police Department at [412-576-3387](tel:412-576-3387).
